REC'D OCT 6 - 1980

Dear Sirs,

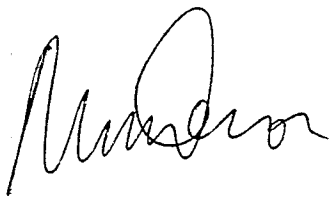

European Patent Application No. 78 300040.9  
Your Ref: PM 764 - Our File: 21469

Thank you for your letter of 23rd September 1980. Before we could do anything to communicate the new information to the EPO the enclosed further action issued. The term for reply expires on 29th November 1980.

The new objections are purely formal, and simply require that the claims should be worded as suggested, which makes no change whatever in their scope. In the absence of your contrary instructions we will prepare and file the appropriate response in due time and at the same time offer the corrected amendment explained in your last letter.

If you have any contrary or alternative instructions please let us have it as quickly as possible.

Yours faithfully,
